### Important Information

Physical Exam Required: State law requires that staff have a physical examination within 2 years prior to arriving at camp.

### Drug, Alcohol, and Smoking Policies

Our camp is committed to a drug, tobacco, and alcohol-free work place. As per State law, all staff must undergo pre-employment drug screening upon arrival at camp. Camp Woodie covers the cost of the screening. A positive test will disqualify an applicant. An employee may also be retested at any time if there is "reasonable suspicion" that the employee is under the influence of drugs that could affect job performance.

### Staff Commitment

Employment at a resident camp is serious and exacting. The rewards, while substantial, are found largely in the satisfaction of a job well done, and in the personal growth and development that goes with it. Your signature below indicates your support for the role modeling goals of Camp Woodie and your willingness to commit your best efforts and abilities towards achieving it

I certify that the information on this application is true, complete and current. If applicant is under 18 years of age, either parent or guardian must sign below. Your signature indicates application is made with full approval on your part.
