STOCK TRANSFER DONATION DIRECTIONS

If you would like to make a contribution of stock to the South Carolina Waterfowl Association, please follow the procedure outlined below.

If the securities are held with a brokerage firm, the owner should write to his or her firm and tell them to deliver free to First Citizens Investor Services, clearing through Pershing LLC, DTC # 0443, the exact security and number of shares, for the account of South Carolina Waterfowl Association Account # NV6-047788.

The name and account number must be on the letter and on the instructions from the other broker so that First Citizens Investor Services knows where to apply the shares as they come through the Depository Trust Company.

It is also very helpful if you could send an email to David Wielicki, SCWA Executive Director, at scwadw@gmail.com to notify him of the donation.
